

Stanislas Pottier

Directeur du Développement durable Groupe

Paris, March 27th, 2015

Les Amis de la Terre
Ms Lucie Pinson
Chargée de campagne Banques privées / COFACE
2B rue Jules Ferry
93100 Montreuil

Dear Ms Pinson,

Referring to your letter addressed to our CEO Jean-Paul Chifflet on February 23rd, 2015, and taking note of your comments and analyses, we confirm that, due to the number and magnitude of issues linked to the planned coal development projects in the Galilee Basin, Crédit Agricole SA does not intend to finance these projects or their associated facilities.

Best Regards

Stanislas Pottier
