TOTAL Ouganda Tilenga + EACOP		56 460 individuals	
Region/RAP	Number of	Number of	Sources

¹ RAP = *Resettlement Action Plan*.

² PAP = Project Affected Person. Contrary to what the term suggests, a "PAP" is an entire household, not just one person.

³ [RAP 2 to 5, Executive Summary](#), September 2020, p. 138. The total number of individuals differs from the sum of individuals per RAP (34,261) since some individuals are affected by several PAPs.
